Experience the convenience of Astound Enhanced Voicemail. Upgrade today.

Redesigned with you in mind!

Astound's new Enhanced Voicemail has been redesigned to give you greater convenience. Check out some of the cool new things you can do when you upgrade:

- Access your voicemail via the web anywhere in the world at **<http://myastound.phone.net>**
- View details of recently dialed, received and missed calls
- Record and manage your voicemail greetings online
- Manage your phone features online, such as privacy settings and call forwarding
- Get voicemail notifications via e-mail
- Plus, get access to future voicemail enhancements

FREE UPGRADE!

To upgrade to our Enhanced Voicemail with online access, simply call us at **1-800-427-8686** or go to: **<http://www.astound.net/voicemail>**
