**DTV ready Cable TV service as low as \$19<sup>95</sup> a month. See details inside!**

\*Wave Broadband is authorized by the FCC and your local Franchise Authority to distribute analog broadcast signals to customers over Wave's cable system. Consumers may also be able to receive off-air digital broadcast television signals through use of a television with a digital tuner, by connecting analog-to-digital set-top converters to each television in your home, or through another video service provider. Offers expire 7/12/09. Promotional offers are good for the first 3 and first 12 full months of service for new cable customers at serviceable addresses or former customers inactive for 60 days or more and in good standing. Advertised cable offers are for Limited cable service, regularly \$23.95 a month. Enhanced Basic service regularly \$54.95/month. Installation is \$29.95, and is good for up to 2 outlets in 1 household. Special wiring is extra. Prices subject to change. Not valid with any other offers. Other restrictions may apply. Call for complete details. MoviePlex offer is good for the first 12 months of service and is normally \$5.00 a month. Visit starz.com for airdates/times. Starz, Encore and related channels and service marks are the property of Starz Entertainment, LLC. Starz On Demand is included with your Starz subscription at no additional charge.
