# The Home Phone Service You've Been Waiting For Has Arrived!

## WavePhone™ Gives You The Best For Less.

Wave has worked hard to expand our network and is proud to now offer our WavePhone™ home phone service in your area! **Unlimited WavePhone™** service offers unlimited local and nationwide calling throughout the U.S., Canada, Puerto Rico, Guam, and the U.S. Virgin Islands. Call anyone in these areas as often as you like for as long as you like!

Here's how **Unlimited WavePhone™** stands out from the other phone companies:

- 1 **Calling Features Included** 12 great calling features like Voice Mail and Caller ID—all at no extra charge.
- 2 **No Contracts To Sign** No long-term obligations.
- 3 **Keep Your Phones and Your Phone Number** No need to buy any new equipment and you can keep your current phone number.
- 4 **Not an Internet Phone Service** WavePhone™ uses a dedicated fiber-optic network to deliver superior call quality and reliability. It does not send calls over the public internet.
- 5 **On-Site Installation** Our qualified installers will have you up and running in no time with no interruption to your service.

Sign up today and get **Unlimited WavePhone™** for one low monthly rate!

# Watch TV On Your Schedule! No Recording Necessary.

## Instant Entertainment Now Playing on Channel 1.

Wave's TV On Demand service is a whole new way to watch TV! It's like having an entire video store right inside your cable box. Enjoy thousands of hours of programming from some of your favorite cable channels—all available to start and watch instantly with a press of your remote. Many programs are FREE, but you'll also have access to select Movies On Demand as well as HD On Demand content.

Subscribe to Wave's **Enhanced Basic Cable** and automatically get TV On Demand service included at no extra charge!

### How Do I Use TV On Demand?

- 1 Go to Channel 1, your TV On Demand main menu.
- 2 Browse through a variety of programs, select what you want to watch using your remote, then start the show with the push of a button.
- 3 Use your remote to fast-forward, rewind, or stop your program and pick up where you left off whenever you want.
